Long Catheter Extension (for US Side Rails)

BF794

CE

The long Catheter Extension for CMAX X-Ray creates a convenient staging area for catheters and other endoscopic accessories in the OR. This extension is easily installed onto the siderail of the CMAX X-Ray table via gravity latch. The platform extends off the foot-end (in Reverse Orientation) of the table. Attachment does not require a clamp.

Dimensions: 36” (915 mm) L x 21.3” (540 mm)

Weight: 12.8 lbs (5.8 kg)

This accessory is not intended to support patient weight
